12.-15. FUND A NEED SECURITY DEPOSITS FOR NEW AFFORDABLE APARTMENTS IN SALISBURY

YWCA Newburyport, is building 42 affordable apartments in Salisbury, ready for spring occupancy. The homes are for households considered low income, with 11 units reserved for people who are homeless and 3 for households in which 1 member has a disability.

While this is great news, there is a sticking point. It is where tonight's Fund a Need comes in. Many who are eligible for these apartments have such low incomes that they don't have the savings to pay a security deposit. We are asking you tonight to fund security deposits for households that cannot pay them. Note: as the property manager the Y requires security deposits in order to motivate tenant responsibility and protect the Y from damages.

Security deposits for one and two bedroom apartments (\$1000), studio apartments (\$500) and partial security deposits (from \$250 to \$50).

SILENT AUCTION
